Raintree Montessori School

2024-2025 Tuition & Fees Policies

SCHEDULING

Primary Summer Reserve: A family may choose to not attend the summer and instead reserve the primary child's space for the complete summer session (June and July) by paying \$600. The form must be submitted at time of re-enrollment, and the fee will be billed May 1st.

The Montessori primary is a three-year program culminating in an All-Day schedule for the "Kindergarten" leadership year.

Schedule Changes: Schedule preferences are submitted during FACTS re-enrollment in April for the upcoming school year. Modifications to schedules after this point can be made to early AM, lunch, and late pm by contacting office@raintreemontessori.org.

TUITION AND FEE GUIDELINES

Acceptance of enrollment constitutes an agreement that full tuition is due regardless of the number of days that a student attends, and there are no refunds for missed days, extended leave, or early withdrawal from Raintree.

Tuition for all payment plans is a combination of the school tuition and fees. The fee amount includes an affiliation fee (professional accreditation and/or memberships for our teachers with each teacher's Montessori training association, an equipment fee (classroom materials and school supplies), a campus fee (maintenance of buildings, pools, and playground). If enrolling for elementary or erdkinder, an elementary activity fee and erdkinder trip fee is included.

Discounts:

- Families who have three, or more children enrolled full-time at Raintree receive a 5% tuition discount.
- All discounts only apply to tuition and do not apply to extended hours, fees, lunches, or to Camp Raintree.
- Only one discount per family may apply to accounts in good standing.

Tuition and Fee Schedule is subject to change without notice.

For financial concerns or questions, please contact the Accounts Office at accounts@raintreemontessori.org.

PAYMENTS

Billing statements are emailed at the end of the month detailing your student's account. Payments are made through FACTS, an electronic funds transfer. Through FACTS, your balance is automatically withdrawn from your bank account. Two withdrawal options are available.

Tuition obligations have priority over all other payments (e.g. enrichment classes, 6th-year trip, Camp Raintree). A zero balance is required for a student to move to the next level program. If funds are not available during the electronic funds transfer, \$30 will be assessed. Payments that are past due compromise the student's enrollment at Raintree and any continued balance is subject to collections.

ENROLLMENT • WITHDRAWAL POLICIES

ENROLLMENT

- As explained in the Parent Handbook, every spring, all families complete re-enrollment online for the primary summer and the upcoming school year.
- Applications for the next level: elementary, the erdkinder, as well as Camp Raintree are linked and available on the web site.
- Required paperwork is due the end of April. Failure to complete paperwork will incur a late fee and the child cannot attend until paperwork is processed.
- Raintree may at any time, in its sole discretion, discontinue a student's enrollment, if it determines that the student's behavior is detrimental to the well-being of other students, or the student, parent or guardian repeatedly fails to follow rules and policies as established for the harmony and safety of the Raintree community, or tuition is delinquent. No deposits or fees will be refunded.

WITHDRAWAL • ENROLLMENT DEPOSITS

At the completion of the child's primary (the leadership year), elementary (6 years), erdkinder cycle (2 years), 100% of the Enrollment Deposit is refunded. *

Toddler/Primary

- If a family withdraws from Raintree before the end of the program cycle, a written notice of withdrawal, signed and dated by the parent/guardian, must be submitted to office@raintreemontessori.org two calendar months (two billing cycles), in advance of the departure date along with the address of the receiving school, if applicable. The Enrollment Deposit is refunded within 30 days of departure.*
- Families NOT providing the above notice, will incur tuition obligations. Families under the 12-Payment Plan option will be held responsible for paying the following month's tuition. Those under the Two-Payment Plan payment option may be responsible for additional tuition as well. The Enrollment Deposit will be forfeited.

Elementary/Erdkinder

- If a student withdraws before the end of the academic year, the family is responsible for the tuition payments for that school year and the Enrollment Deposit will be forfeited.
- Families who give notice of withdrawal after May 1st will be held responsible for the tuition for the upcoming academic year and the Enrollment Deposit will be forfeited.
- If a family moves out of the Lawrence community before the end of the academic year, a written notice of withdrawal, signed and dated by the parent/guardian, must be submitted to the front office two calendar months (two billing cycles) in advance of the moving date along with the address of the receiving school. The Enrollment Deposit within 30 days of departure.

*** No enrollment deposits, student records (which includes student reports and references), will be released until all balances are paid in full.**
